III.

STATEMENT OF THE CLAIM

On April 06th 2022 at around I, also known as plaintiff and petitioner walked into Beckham County Clerk Office to record (3) three legal documents, Leasa Hartman looked it over and said it looked good to her to file she had to check with Angela C. Marsee also known as the District Attorney out of Beckham County. Angela Marsee advised Leasa Hartman not to file anything for the petitioner. I, walked upstairs to ask what grounds Angela Marsee had to deny petitioner due process of my documents into public record and the response from the staff was that Angela Marsee did not want to speak to petitioner;

IV.

INJURIES

Leasa Hatman and Angela C. Marsee deprived petitioner of due process, liberty, and deprivation of rights under color of law, conspiring with each other to deprive petitioner all these unalienable rights. Defendants acted in negligent toward Plaintiffs rights, disregarded unalienable [God afforded and Constitutional guaranteed] rights which caused and contributed to mental anguish, emotional distress, anxiety, and hardship, defendants also caused a conspiracy to deny due process to petitioner without any evidence to why I, could not file into public record, documents;

V.

RELIEF

Prayer for Relief for the injuries of emotional distress, special compensatory, punitive damages, statutory damages, and court cost and fees in addition to the amount of \$25,000 (which petitioner charged per 23 minutes of work) which the fee schedule has been served and through un-rebuttal muteness and silence to the affirmed INVOICE and BILL have already accepted. See Beckham County Oklahoma Public Record I-2020-004260 Book 2339 Pg. 630 12/01/2020 2:53pm Pg. 0630-0630. And also seek to have my 3 pages of un rebutted affidavits entered into public record at Beckham county district court;

VI.

CERTIFICATION

I, petitioner certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery;

 Leasa Hartman - Beckham County Clerk
 State of Oklahoma

Republic of Oklahoma (1834)
**DECLARATION OF STATUS/
 REQUIREMENTS TO PERFORM**

I, Roman Vladimirovich Serpik, a man, Hereafter "I", "me", or "my", on Oklahoma (1834) land, hereafter "me", or "my", one of the people, over the age of 21 years of age, competent to testify, having first hand knowledge, swear under penalty of perjury, the following is true as God is my witness. (Public Law 97-280)

1. For I am known as "Roman Vladimirovich Serpik", and deny I am "ROMAN V. SERPIK" or any deviation of that name and declare that that name is creation of an Agent for a Government and that name is fictitious, imaginary "franchise" of a Government (1).
2. For I claim all forms of Government are not real, cannot be a "real party in interest" and but are fictitious, imaginary parties whose expressed purpose is to "secure those rights", and to "secure the blessing of liberty" and to act as a trust to hold public property for each man ("the people") as beneficiaries of the 1776 Constitution. Each man in Government service is an "Agent" of Government.
3. For I am not a signer of the United States Constitution (2), Oklahoma Constitution and have no contract with same but each man (Agent) who signs an oath of office is accepting the trusteeship as fiduciary and cannot harm the beneficiaries.
4. For I am a servant to my Creator (Jehovah), under God's Law as expressed in Mathew 7:12 (The Golden Rule), and Exodus 20: 1-17 (KJV) the Ten Commandments. "Thou shalt have no other Gods before me: Steal; bear false witness; or murder" and American Common Law (3), (4), and I do not recognize any men's legislated acts and/or laws, with all respect to Mathew 22:21 Jesus said "Render to Caesar the things that are Caesar's; and to God the things that are God's."
5. For I claim all rights and waive no rights or remedies, and I was born (a free man) on the land (Urantia/Earth) as a non-military, peaceful non-combatant inhabitant, and I am not subject to the jurisdiction of any Federal-DeFacto-Corporate-Democracy-Military-Admiralty agreements or treatise with any party (5), (6), (7).
6. For I claim that the purpose of Government is to "secure these rights" and to "secure the blessings of liberty" and that "United States of America" (the Federal Government), "USA" - is a fictitious, imaginary party, and all powers granted by the people are delegated powers, and no power is delegated to enforce any civil or criminal acts outside of Washington D.C., or the territories, and acts by men hereafter, "Agent" outside of the authority delegated in the 1776 Constitution such as any taking of property without 'due process' is an act of treason and rebellion to the men whose oath of office continually binds them to his/her employers (USA) policy.
7. For I do not "operate" a "motor vehicle" in "Commerce" ("traffic", "trade", "business") and no evidence to the contrary exists without due process. Co-Ownership (with DMV) of any "Driver License" is under duress at all times to prevent harassment, unlawfully ticketing and systematic beat down and theft of nations "public servants". And only "Drive" when consented or with due process have agreed to the act (8).
8. For I have a Fee Schedule of up to \$25,000 (twenty five thousand) per 23 (twenty three) minutes of my time or \$75,000 (seventy five thousand) per hour or \$500 (five hundred) per hour in other pay, (lawful U.S. Art. 1, Sec 10 'money'), per incident, per hour, per injury, per party, for each and every violation of any rights reserved and God given or expressed rights and/or for any Agents.
9. For I do not consent to any matter regarding me to being adjudicated in any court other than that a "court of record" operating under Common Law, with jurisdiction established by alleging facts of a personal injury or loss (standing) with a jury of my peers determining the facts. For I require that the peers' jury shall not be subject to another man's will, a 14th amendment citizen of USA or residents of the STATE OF OKLAHOMA and must have comprehension and knowledge of the U.S. and Oklahoma (not OK) Constitutions.

10. BOND RECORDED # 00101 (1 oz Silver 'Isle of Man Angel' Coin)

All parties receiving this declaration shall rebut each and every point within (30) thirty calendar days after receipt thereof with factual evidence in the form of a sworn affidavit or it will be silent acquiescence to the facts and law stated, in this my Declaration of Status by said parties, I reserve the right to challenge my rebuttal.
